THE MYSORE INDUSTRIAL AND AGRICULTURAL EXHIBITION, 1906.

RULES AND REGULATIONS.

1. The Exhibition will be held at Mysore in on a date to be fixed hereafter and notified, and will continue for days.

2. Intending exhibitors should fill up the Form A (copies of which can be had from the Amildars) and send it to the Secretary so as to reach him not later than the 30th November 1905; a copy should at the same time, be delivered to the Amildar of the Taluk in which the exhibitor resides.

3. The articles intended for Exhibition may be brought personally by the exhibitor or his agent, to Mysore and handed over to the Secretary at the Exhibition Store room not later than 5th January 1906, with duplicate forms (Form B) duly filled up.

4. The Secretary will give back one list duly signed with the registered number of the exhibitor.

5. Exhibitors may, at their discretion, deliver the exhibits to the Amildar of the Taluk in which they are, or to the President of the District Committee, with the duplicate lists mentioned above. Or they may send exhibits by Railway "Parcel" or "Goods."

6. Articles of indigenous art or manufacture as well as natural, mineral, or agricultural products of the Mysore Province, will be accepted for the Exhibition.

Implements or machines of foreign manufacture likely to promote or develop local industries, in the opinion of the Exhibition Committee, will also be accepted, but will not be entitled to any prizes.

7. Explosives, or any substances noxious or dangerous, will not be accepted.

8. Exhibitors should refer to the printed list of groups and sections into which it is intended to divide the exhibits. This list is not, however, exhaustive and articles not mentioned in the above list will also be accepted.

9. Exhibitors should mention in their application whether they intend to practically illustrate the process of their manufacture, and if so, what special facilities or accommodation for the display of such machines or contrivances, are necessary and with all other particulars.

10. Such facilities will be supplied by the Committee if *there be* sufficient demand, on such term as may be agreed upon.

11. The Secretary will inform the applicants whether they are registered as exhibitors and their registered number.

12. Each registered exhibitor will be allowed a space ten feet by ten feet *free of cost,* but any additional covered space can be obtained on special application, and on such terms as may be agreed upon.

13. Exhibitors may obtain on such special terms as may be agreed upon, open space for the Exhibition or practical demonstration of any machinery, etc. They will be allowed to construct at their own expense the necessary structures, according to plans approved of by the Exhibition Committee.

14. Exhibitors who send their exhibits by Railway direct, must affix a label on the top of each package containing the name and number of the exhibitor and addressed to the "Secretary, Exhibition Committee, Mysore."

15. Inside each package, there should be a list, in duplicate, containing the following particulars as mentioned on a label to be attached to each exhibit:—

1. Section and group.
2. Name and description of the article.
3. Price.
4. The place of production or manufacture.
5. Name of exhibitor or manufacturer.
6. Whether the article is for sale or not.

16. On the receipt of the packages, the lists in them will be compared with the list previously sent as per para two of these Rules and a receipt sent or given to the exhibitor for the articles found in good condition or safe.

17. Every facility will be afforded to the exhibitors or their agents in connection with the transport, display, sale and care of their exhibits.

18. Exhibitors should bear all expenses incidental to the transport, delivery and taking away of goods exhibited after the Exhibition is over. Packages sent "Unpaid" will not be received.

19. Exhibitors requiring any *special* arrangement or construction in the *Pandal* such as stands, cases, tables and shelves, etc., etc., have themselves to arrange for these things and *at their own cost*, and in accordance with plans approved of by the Exhibition Officers.

20. Exhibitors of live-stock should write to the Secretary at least fifteen days before the arrival of the live-stock, what arrangements they would wish to be made for the feeding, etc., of the animals. Such arrangements will be made at the cost of the applicants except straw which will be supplied *free of cost* for a week from 29th January to 5th February 1906, during which the live-stock will be in Mysore. The Deputy Commissioner will be careful in sending or selecting only such animals as are worth exhibiting. Watering conveniences will be provided by the Exhibition Committee *free of cost*. Dangerous and diseased animals will not be admitted.

21. Such assistants, servants, or other attendants as are necessary for the exhibitor at his stall for service, will be allowed *free* on permits or passes issued by the *Secretary*. Such persons will have to obey the orders of the Exhibition authorities and their staff in the performance of their duties.

22. Every reasonable precaution will be taken to guard the Exhibition premises and secure the safety of the exhibits. The Exhibition authorities will not, however, hold themselves liable for any damage or loss, however caused.

23. Valuable exhibits such as jewelry, gold and silver plate—must be sent in charge of an attendant.

24. Articles intended for sale may be sold during the Exhibition and arrangements will be made for registering the names of purchasers and receiving money from them. Such sold articles, save perishable articles, cannot be removed from the Exhibition grounds without the special written permission of the Secretary during the Exhibition.

25. Within ten days from the date of the close of the Exhibition, exhibitors must remove their articles, failing which the articles will be removed and stored at the risk and expense of the owners and handed over to them on payment of all such charges and expenses incidental to removal and storage.

26. The Exhibition authorities reserve to themselves, the right to remove the exhibits of any person who does not conform to these Regulations.

27. Articles exhibited cannot be copied, photographed, drawn or reproduced in any manner without the special permission of the exhibitor or Exhibition Committee. General photographs can, however, be taken with the permission of the Committee.

28. Gentlemen desirous of sending exhibits for the Loan section, should write to the Secretary to say so, giving all the necessary particulars about their exhibits. The Secretary will then inform them of the acceptance of their offer and make the necessary arrangements with them in regard to the Exhibition of such articles.

29. All persons who become exhibitors, shall, by doing so, be held to signify their assent to and acceptance of the above Rules and such as may hereafter be passed by the Committee whose decision will be final.

All communications to be addressed to the Secretary, Exhibition Committee, Mysore.

A. ANANDA RAO,
Secretary.

C. MADIAH,
President.

MYSORE INDUSTRIAL AND AGRICULTURAL EXHIBITION, 1906.

FORM A.

Description of the article	Section	Name of manufacturer	Place of manufacture*	Price of the article		May or may not be sold at the Exhibition	Whether any special structure stands cupboards would be required. If so, what?	Whether any practical illustration of machinery is intended to be given	Whether manual or animal labour would be required	Any other special facilities required	Other particulars †

* Mention Taluk, Town and District.

† If the articles be not a *bona fide* manufacture of the Province, state here what indigenous industries, it is likely to promote.

I guarantee that the particulars given above are, to the best of my knowledge and belief, correct and accurate.

Place and date.

Signature of the Exhibitor.
